

# Copperhill cemetery (Copper Hill, Tenn.) ON HIGH HILL

As part of the effort to restore the old city cemetery in Copperhill, Lois Ann Patterson of the Restoration Committee has compiled a list of the names on tombstones in the cemetery (as much as was possible. Some headstones were barely legible and others could not be read at all. A ? indicates a tombstone could not be read. If you have corrections, you may call Patterson at 496-3821).
